GR01. Role of the specified studio

ID	Attribute	Value and scope
GR01-03	Role of the specified studio	Galaxsys — developer of the original; the operator provides the account and cashier; the editorial team does not change the game mathematics.
GR01-05	Round participation model	Individual tower: a new paid cycle creates its own sequence of floors; another player's Players result is not the author's shared outcome.
GR01-07	Revision of game rules	Rules of the official demo/PDF snapshot 03.11.2026; cash TR configs of each OP retain separate limits and RTP.
GR01-09	Criterion for distinguishing same-name games	Tower Rush original, activeGameId90; Tower Rush2 differs by name and ID; Branded differs by modification; matching the word Tower is not enough.
GR01-10	Role of the main and additional operators	Six operators are main according to the passport, 1win is the anchor of calculations BDT; the others have separate routes, not ownership of the game.
